Sent to 17573291146 at: 2014-11-02 23:18:09 Yes. I ordered all the dishwasher stuff. They had a couple of the parts in stock and I am just waiting for the other one to come in that were back ordered. The fireplace I had on for a very long time a few diff times with the window open. I think it got rid of all the "new" smell and think they are good now. I was going to come and out everything back in when I had all the dishwasher parts. I will call tomorrow and see if they can give me a date as to when they think I will have them

Received from 18059079815 at: 2014-11-03 03:57:34 I suppose I haven't made a woman say "meow" but definitely a drawn out purr that sounds pretty close. I'm counting it

Sent to 19178211113 at: 2014-11-05 01:05:48 I don't understand why you are pushing this so hard on me
Received from 19178211113 at: 2014-11-05 01:05:48 It really hurts my feelings and my psychiatrist finds it extremely bizarre that my sister wont follow my baby pics
Sent to 19178211113 at: 2014-11-05 01:05:55 Bc its super weird
Sent to 19178211113 at: 2014-11-05 01:06:08 I dont understand why you wont just do it
Received from 19178211113 at: 2014-11-05 01:06:16 It has nothing to do w the baby pics. And frankly I don't care ab your psychiatrist bc he or she has a skewed perception
Received from 19178211113 at: 2014-11-05 01:06:08 So IS there a reason? Im so confused
Sent to 19178211113 at: 2014-11-05 01:06:40 I am asking you to do a stream. Which frankly you can post unlimited photos too
Received from 19178211113 at: 2014-11-05 01:07:14 If you say skewed perception that implies there is a reason you wont do it
Received from 19178211113 at: 2014-11-05 01:07:23 I told her i honestly didnt know why
Received from 19178211113 at: 2014-11-05 01:07:39 Forget it. I'm not discussing this further.

Received from 19178211113 at: 2014-11-05 01:09:35 Ughhhh bc when I look at baby pics I have to be in the mood. Babies all over my Instagram is not what I want when I am casually strolling around.

Sent to 19178211113 at: 2014-11-05 01:10:24 Why r u having a bad night
Received from 19178211113 at: 2014-11-05 01:10:37 I would rather be happy and excited when looking at bay. And I am telling you how to achieve it. Which is a stream. Which I would look at everyday and updates me when you add to it. And t even has a liking feature.
Received from 19178211113 at: 2014-11-05 01:10:57 It is MORE involved than Instagram.
Received from 19178211113 at: 2014-11-05 01:10:24 Fine well thats why i was asking u to simply explain why
Sent to 19178211113 at: 2014-11-05 01:11:25 I know u have weird baby issues so if its about you wanting to be in the mood for baby pics i understand.

Sent to 19178211113 at: 2014-11-05 01:12:32 (As u should know from chloes instagram)
Received from 19178211113 at: 2014-11-05 01:12:45 If you add a bunch at once it will allow a caption for the group

Received from 19178211113 at: 2014-11-05 02:18:16 What makes them care about your comment versus anyone elses. How do they know you are a dog (or in my case an arts happenings account)

Sent to 19178211113 at: 2014-11-05 02:23:41 I would also spell out the mirror cube in the description area bc it isn't currently listed (the hyperlink doesn't count) and that makes it more difficult for people to search and find mirror cube
Sent to 19178211113 at: 2014-11-05 02:24:18 Ie if someone went into instagram search and just typed "mirror cube" your user profile does not come up

Sent to 19178211113 at: 2014-11-05 16:44:48 What is the update on ur dress
Received from 19178211113 at: 2014-11-05 16:45:55 It's a long story but so here are the main points
Sent to 19178211113 at: 2014-11-05 16:46:30 I went in yesterday to try on one last dress. Which was really pretty but I didn't fall in love.
Sent to 19178211113 at: 2014-11-05 16:46:43 However they had another new dress which I tried on and did like.
Sent to 19178211113 at: 2014-11-05 16:46:59 However I like the design of the original dress better.
Sent to 19178211113 at: 2014-11-05 16:47:12 But the style's fit of the new one.

Received from 19178211113 at: 2014-11-05 16:47:47 So they are emailing w the designer to see if they can create a custom dress basically that is the design of the dress I love. But with the shape of the new dress
Sent to 19178211113 at: 2014-11-05 16:48:25 And it's just really hard for me to envision MY dress bc there are so many modifications happening. Which is stressing me out
Sent to 19178211113 at: 2014-11-05 16:49:04 And I don't know what's gonna be allowed or frankly how it's gonna look on me once it's fitted to my mini height (since these dresses are for women 6 ft tall)
Sent to 19178211113 at: 2014-11-05 16:49:42 Does that make sense?

They keep giving me the run around on when the last piece will be in (of course the most important one) so I am not going to wait for it. Then when it comes in I will swing by and put that piece in as well. As soon as I have the parts in hand I will set something up with you.

Sent to 17038433264 at: 2014-11-07 15:42:25 I thought the mango was in addition to almond milk as a post work out snack. An add, not a replace?
Received from 17034991766 at: 2014-11-07 15:42:33 Well that's good! I feel the complete opposite and can tell you the grass is definitely greener on your side.

Received from 17038433264 at: 2014-11-08 17:23:31 So question - I am having a very early dinner so I am essentially swamping lunch and dinner's meals today (ie gonna have a salad etc for a late lunch and a green drink for dinner)
Sent to 17038433264 at: 2014-11-08 17:23:53 When do I take the multivitamin? With the late lunch meal or with the dinner of the green drink?
Sent to 17038433264 at: 2014-11-08 17:24:45 Green drink for dinner
Received from 17038433264 at: 2014-11-08 17:25:29 K cool. And the rehydrate and probiotic still in the afternoon before the lunch meal? Or do it after wards and before the green drink?
Sent to 17038433264 at: 2014-11-08 17:26:09 Still in afternoon
Received from 17038433264 at: 2014-11-08 17:27:44 K that's what I thought. Thanks!

Sent to 17038433264 at: 2014-11-08 17:30:07 How are you feeling?
Received from 17038433264 at: 2014-11-08 17:38:02 I'm okay. I have energy. But my brain feels like it's not as sharp or quick as usual.
Sent to 17038433264 at: 2014-11-08 17:38:08 And I miss eating.
Received from 17038433264 at: 2014-11-08 17:38:34 Nights are the worst. That's when it's the most difficult. Chamomile tea doesn't do much
Sent to 17038433264 at: 2014-11-08 17:43:13 Remember you can add more fruit early if need and the sweet potato at night.
Received from 17038433264 at: 2014-11-08 17:45:01 I had the sweet potato and a huge salad w some chicken last night.

Received from 17038433264 at: 2014-11-08 17:45:23 That filled me up for dinner. But like 2 hours later I want to snack.
Sent to 17038433264 at: 2014-11-08 17:45:57 When you lose fat you also lose water. Water can only hydrate with electrolytes.
Sent to 17038433264 at: 2014-11-08 17:46:00 And the day time I'm fine. The egg whites and walnuts tide me over.
Sent to 17038433264 at: 2014-11-08 17:46:33 I am drinking non stop water w lemon or orange slices in it.
Received from 17038433264 at: 2014-11-08 17:46:36 2 hours later it's likely water (electrolytes) you need.
Sent to 17038433264 at: 2014-11-08 17:46:56 Add a small very small pinch of sea salt
Sent to 17038433264 at: 2014-11-08 17:46:59 I tried that. Drank 30 oz. Still hungry.
Received from 17038433264 at: 2014-11-08 17:47:02 You won't taste it
Sent to 17038433264 at: 2014-11-08 17:47:25 It will help you absorb the water
Sent to 17038433264 at: 2014-11-08 17:47:43 It's not the hydration that's the issue.
Received from 17038433264 at: 2014-11-08 17:48:13 It's that I'm hungry and want food. A snack
Received from 17038433264 at: 2014-11-08 17:48:57 Eat avocado and hummus
Sent to 17038433264 at: 2014-11-08 17:49:08 And water!!!
Received from 17038433264 at: 2014-11-08 17:49:15 It is what is. My stomach feels empty. Isn't that what dieting is?
Received from 17038433264 at: 2014-11-08 17:49:33 I thought I wasn't supposed to eat after dinner...?
Sent to 17038433264 at: 2014-11-08 17:49:59 If you're up late you have no choice to eat.
Sent to 17038433264 at: 2014-11-08 17:50:13 I'm always up lasts
Received from 17038433264 at: 2014-11-08 17:50:25 *late
Received from 17038433264 at: 2014-11-08 17:50:25 You should be sleeping 2 hours after dinner. If not you have to eat again.
Sent to 17038433264 at: 2014-11-08 17:50:55 Last meal should be 90 mins prior to bed.
Sent to 17038433264 at: 2014-11-08 17:51:09 I eat dinner around 8 or 9. Sleep around midnight or later

Sent to 17038433264 at: 2014-11-08 17:53:18 Wait a fat??

Sent to 17038433264 at: 2014-11-08 17:53:42 Avocado is a fat
Received from 17038433264 at: 2014-11-08 17:54:07 Yes I know. But I thought you said I can't have hummus at night? Only raw veggies
Sent to 17038433264 at: 2014-11-08 17:54:42 Only reason why I say now is because your up to late.
Received from 17038433264 at: 2014-11-08 17:55:10 I'd rather you not and sleep early. Reason why is because you will go way too long without eating.
Sent to 17038433264 at: 2014-11-08 17:55:47 I sleep in late and stay up late. It's how I roll. Can't sleep earlier than like 1130

Data Missing 18037677187 at: 2014-11-09 14:20:06 And flow is important to me. So I think we want dinner and speeches and slower dancing. And then like DANCE TIME
Data Missing 18037677187 at: 2014-11-09 14:20:31 Yea I didn't like how they did it
Received from 18037677187 at: 2014-11-09 14:20:37 But it was clearly what they wanted

Received from 18037677187 at: 2014-11-09 14:22:38 Have a FEW slow songs like 2 so people can get drinks and then like eventually switch to top 40 hits and don't stop

But at the end of the day it's just one day in the year. We can make new traditions as we get older once we all get more settled

Received from 19178211113 at: 2014-11-10 17:38:08 Which is irritating bc like okay so if you want us to buy our own plane tickets you need to tell us ahead of time. If you want to pull last minute shit, then he should pay for them.

Received from 19178211113 at: 2014-11-10 18:05:52 Here is some reviews of Per Se
Received from 19178211113 at: 2014-11-10 18:05:52 The standard chef's tasting menu ($150) is nine courses, and one eventful evening, dining in the company of a well-connected media friend (without connections, the wait for a table at Per Se is two months), I got caught up in a seventeen-course meal. I never got out of Per Se in under four hours, but this five-hour extravaganza began with six varieties of vegetable soup (one for each person), reached a crescendo with a whole black sea bass stuffed with watercress (foraged by Rabbi Zvi), and concluded with a blizzard of high-concept desserts (thyme-infused ice cream, cucumber sorbet, a deliciously milky chocolate soufflé) that left our party feeling dazzled but a little overwhelmed, like a bunch of country bumpkins stuck at an elaborate but overly long magic show.

Received from 19178211113 at: 2014-11-10 18:11:02 Masa, owned and operated by the chef Masayoshi Takayama, is one of New York's peak culinary indulgences. That bite comes at some cost. Seven years ago, Masa had a base price of $300 a person, excluding tax, tip and upgrades like something to drink. Now it is $450 for the same fandango, an increase of 50 percent. A meal for two at the restaurant can easily run to $1,500 — an amount that is a little more than 35 percent of the Census Bureau's most recent calculation of the median monthly household income in the United States.

Sent to 19178211113 at: 2014-11-10 18:16:02 Its a number of issues but Dad has been leaving mom alone A LOT. He isnt nice to her when hes with her, he ignores her a lot. He criticizes her about aging without batting an eye. He isnt a supportive partner when it comes to aging. He doesnt make mom feel secure about it. Instead he tries to avoid it or act like it isnt happening. He tells her she looks old in a mean voice. Like to go get surgery on her hands, dress younger (in those inapproriate clothes which mom only wears for him). They got in several fights in front of me when in LA

Received from 19178211113 at: 2014-11-10 18:33:36 Ever since we switched banks to UBS they dont do construction loans, so dad is co-signing paperwork to help us get loans to do our renovation for our home bc of all this debt that carried over from my movie that cancels out Jeffs income on paper/ we cant get a loan big enough ourselves. We are paying for it but it requires dad to co-sign it. And im fucked without his help. And i was in a total dad-free zone until we lost our bank and found out we cant get a loan bc we filed joint taxes, and we were unaware of these carry over losses dad had set up under me for when he had me as his co dependent. She has a right to know such things and that is just that, in my opinion. I would help her however I could and she wanted. As far the family falling apart, it would already have fallen apart if the facts were such, it would just be a mirage of it being whole, it would not be real. Received from 18059079815 at: 2014-11-12 18:38:27 It's that he has been taking THIS WHORE on trips instead of my mom. When my mom has literally been begging to spend time w my dad and he makes her feel guilty for making him feel bad for working.
Sent to 18059079815 at: 2014-11-12 18:39:02 And here he is vacationing. Making my mom feel she is pressuring him. And my mom is patiently supporting him in any way he asks.

Received from 19178211113 at: 2014-11-14 06:59:40 His whole family who doesn't care about him is a mess in tears and heartbroken. And his mistress is at a Knicks game.
Received from 19178211113 at: 2014-11-14 07:00:08 I just can't.
Received from 19178211113 at: 2014-11-14 10:40:00 We have to prepare mom for this talk. I know Dad is going to say the group sex thing- and when mom says i cant talk to you about that yet, dad is going to say they cant talk about one without the other bc they are related (he has already said this to me). In his mind Mom essentially drove him to this mistress bc she wouldnt act like she liked what he NEEDS in order to be happy. And that is the same thing as saying she wont do it to him.
Received from 19178211113 at: 2014-11-14 10:42:15 He is VERY manipulative and he doesnt even realiSe it. He truly believes that argument. He said it to me

multiple times last night while keeping vague what it is that mom has "stopped doing"
Sent to 19178211113 at: 2014-11-14 10:43:39 She needs to say "i feel like a piece of meat, i dont want to do it, what about MY happiness." And she needs to say "so without group sex you cant be happy and youd rather leave me and leave your family and marriage bc you choose group sex?"
Sent to 19178211113 at: 2014-11-14 10:44:26 But the problem is, He is just going to pit it as her choosing her happiness over his. Thats his case. He NEEDS this to be happy.
Sent to 19178211113 at: 2014-11-14 10:52:48 Can u think of a good argument?
Sent to 19178211113 at: 2014-11-14 10:57:04 Jeff says she has to say "im not going to subject myself to something that has literally driven me to shut down and become OCD because i hate it so much. So if thats what you need to be happy then we arent right for each other. Bc it's just my happiness versus yours."
Received from 19178211113 at: 2014-11-14 11:00:40 I have told her tons to prepare her for that

Received from 19178211113 at: 2014-11-14 12:39:28 I sent dad some texts that he responded to. Im hoping maybe i got thru to him a little but who knows
Received from 19178211113 at: 2014-11-14 12:39:28 Me: I have never looked at your phone in my life. That nite at the dinner table when you were holding Bay and i saw your text that led to all of this,- some other force just made me pick up your phone, i cant explain why. And i happen to see a text that said "and love and sex and romance". I think your mother made me pick up the phone because she wants us to save you. To bring you back to who you were before all of this stuff happened. You are unhappy for reasons you bury. You think its because of certain things, but you arent aware of the deeper rooted causes. You miss your parents, you are sad your daughters have grown up, you and mom are aging. These are things that are out of your control and you are used to controlling everything. These deep sadnesses are mixing you up
Sent to 19178211113 at: 2014-11-14 12:39:28 It is normal. These are human issues, and people turn to all kinds of things to block them out

Sent to 13014675585 at: 2014-11-18 00:00:00 BTW - in your opinion who/where is the best jeweler in the DC metro area?
Sent to 13014675585 at: 2014-11-18 00:02:08 I really like May Jewelers in Va. Boone and sons is good. I have a great dealer Gary Gosnell
Received from 13014675585 at: 2014-11-18 00:02:08 He makes stunning bands
Received from 13014675585 at: 2014-11-18 00:04:16 which is your favorite
Sent to 13014675585 at: 2014-11-18 00:04:16 If you are comfortable not using a retailer (storefront) than I would use Gary
Sent to 13014675585 at: 2014-11-18 00:04:16 He is legit
Sent to 13014675585 at: 2014-11-18 00:04:16 I'm not sure how chris will feel about that. Just because I think we may want to do something custom
Received from 13014675585 at: 2014-11-18 00:06:24 He does all custom

Sent to 13014675585 at: 2014-11-18 00:06:24 We are considering reseting my engagement ring as well, so it def has the potential of being a complex operation
Received from 13014675585 at: 2014-11-18 00:06:24
Received from 13014675585 at: 2014-11-18 00:08:42 I think a dealer would be best then. Retailers always try to get you into what they have first
Sent to 13014675585 at: 2014-11-18 00:09:44 Okay, that makes sense - in general I am nervous about it all because as you may have figured out by now i am incredibly specific 😊

Sent to 15615967692 at: 2014-11-19 14:36:37 I have no control over it. He says you never told him construction was needed bc if so we would have put the system elsewhere.
Sent to 15615967692 at: 2014-11-19 14:37:02 And we can't do construction there for a host of reasons apparently
Sent to 15615967692 at: 2014-11-19 14:36:48 You could get a portable ac from Home Depot.
Received from 15615967692 at: 2014-11-19 14:37:45 I am merely a messenger in btwn you two. And don't know what to do
Received from 15615967692 at: 2014-11-19 14:37:59 Okay how does that work
Sent to 15615967692 at: 2014-11-19 14:38:02 So you can't build a wall to isolate the heater?
Sent to 15615967692 at: 2014-11-19 14:38:07 Nope.
Sent to 15615967692 at: 2014-11-19 14:38:56 I did tell him what was needed. But apparently he does not remember that
Received from 15615967692 at: 2014-11-19 14:41:04 What about building in the racks instead.
Sent to 15615967692 at: 2014-11-19 14:41:04 Then the heater still has more space but isolate them
Sent to 15615967692 at: 2014-11-19 14:43:12 It would cost 2-3k max to build them in I would think. I can call my guy and have him come look.
Received from 15615967692 at: 2014-11-19 14:50:24 Okay I mean I think that sounds fine?
Sent to 15615967692 at: 2014-11-19 14:50:40 I mean I don't really understand what you mean though
Received from 15615967692 at: 2014-11-19 14:50:54 If it requires building a wall it will be a no go. That's all I know
Received from 15615967692 at: 2014-11-19 14:51:26 I don't know where else you would have put the racks. Plus he acted like it was not a problem because he was going to be building the wine cellar and would build them in at that point.
Received from 15615967692 at: 2014-11-19 14:51:43 The back storage room behind the theater ?

Sent to 19178211113 at: 2014-11-19 14:53:45 I asked and breast feeding does not interfere w your ability to cool sculpt.
Sent to 19178211113 at: 2014-11-19 14:53:51 In fact she said mommies do really really well w cool sculpt bc your skin is looser and allows more surface area to be sucked into the pods
Received from 15615967692 at: 2014-11-19 14:53:40 Which could still happen if that's what he wants to do. It's would be about a weeks work for two guys to make that happen
Sent to 15615967692 at: 2014-11-19 14:53:52 I don't know what to say
Sent to 15615967692 at: 2014-11-19 14:54:08 I am not sure of the solution...
Received from 15615967692 at: 2014-11-19 14:54:36 That was more my suggestion as a possible compromise.
Sent to 15615967692 at: 2014-11-19 14:53:52 The best thing would be to build a wall around the rack with a double door so we can pull them out for service.
Sent to 15615967692 at: 2014-11-19 14:56:25 All I know is he very opposed to permanent structures being built
Received from 15615967692 at: 2014-11-19 14:56:34 That's what he expressed to me.
Sent to 15615967692 at: 2014-11-19 14:56:00 Ok next time I see him I will bring it up.
Sent to 15615967692 at: Data Missing I wonder why?
Sent to 15615967692 at: 2014-11-19 14:57:31 My question would be how does that closet protect from the heater?
Sent to 15615967692 at: 2014-11-19 14:57:38 It's still gonna be super hot in that room
Received from 15615967692 at: 2014-11-19 14:58:22 He was ranting about how that was never mentioned to him and how that if it was we would have discussed alternatives.. I dunno..
Data Missing 15615967692 at: 2014-11-19 14:58:59 It would separate the equipment from the heater then you would do a portable AC or a mini split system
Data Missing 19178211113 at: 2014-11-19 14:59:06 Ah
Received from 19178211113 at: 2014-11-19 14:59:36 You should look into it. I'm sure there are a ton of reputable places in NYC

Data Missing 19178211113 at: 2014-11-21 14:15:28 Andrea I want to thank you for the care you have been giving to Mom during this difficult time. It has been instrumental in keeping her together. I am sorry I have put everyone through the trauma of my selfishness. I am committed to doing all that I can to help Mom recover from this mess and intend to make every effort possible to re-kindle her trust in me. The support you have been providing her during this time of crisis is greatly appreciated by me (and Mom). Your counsel and love has been a foundation for her. I look forward to seeing you on Saturday. Love Dad

Sent to 19178211113 at: 2014-11-21 14:31:41 I did.
Received from 19178211113 at: 2014-11-21 14:31:40 Dad, I appreciate you reaching out and acknowledging my support. This has been a very hard time for me but I love the family very much and will do what is necessary for it. However, I am a bit hurt that you would reach out to me on such a major emotional topic by email. I feel communication is a major issue in this family and dialogue is required to help us all heal. As such I wish you would call and talk to me before Saturday so that the first conversation we have isn't in front of a group of people. I recognize the issues between you and mom are just that and I do not want to pry or come in between you two in any way. However, I am not capable, nor do I think it is emotionally healthy, to simply pretend as if everything is normal. I believe there is a gray zone in between. I want the opportunity to tell you how I feel, as this situation has affected all of us in some way, and also hear how you are feeling, in order for you and I to move forward and for the entire family to heal. To just sweep everything under the rug and continue on like nothing happened will make me feel crazy. I do not want to fight, I just want a chance to be heard and to hear how you are feeling. I think it will help build an open channel of constructive communication between us, which I think is vital to every relationship. Even if it is just a few minutes, I would greatly appreciate it. Regardless of everything, you are my father and I love you. Xoxo, Andi

Received from 19178211113 at: 2014-11-23 15:20:44 We have to help him thru communicating. Maybe try to explain this stuff in a non confrotational way. Received from 19178211113 at: 2014-11-23 15:22:57 He won't even care Jess. He won't feel sad or upset for hurting me. He will feel annoyed and angered by my words and feelings.

Received from 17038995561 at: 2014-11-23 15:25:12 But I shoved him out of my mind and tried to bask in the amazing people who were there. Bc of all my family's

friends are truly genuine and amazing. And I needed that reminder of goodness. And it was nice to be around adults who have known me my whole life who ARE actually excited about my wedding. Seeing as how my dad couldn't give a shit
Received from 17038995561 at: 2014-11-23 15:25:25 Obviously I didn't want to bring it up at the party

Received from 19178211113 at: 2014-11-24 00:35:14 Dad always buys these super top of the line cameras made for PROFESSIONALS and he never knows how to do the settings on them and his pictures always suck as a result
Sent to 19178211113 at: 2014-11-24 00:36:33 And i just tried to explain to him that in order to use a professional camera with a slow shutter speed and no flash (which is how it was set for the xmas card pix) that he needs to have it on a tripod bc even the slightest wiggle of a human hand will make the pic blurry (hence why all of these pics are blurry- some worse than others)

Sent to 13014675585 at: 2014-11-24 00:36:54 Omg...how was it? I am dying to do it

Sent to 19178211113 at: 2014-11-24 00:38:48 Meanwhile i know EXACTLY what im talking about, i studied photography in multiple classes in college. HE doesnt know what the hell he is doing. If he just bought a high pixelation point and shoot camera made for regular people, he would have WAY better pics. They are just as good quality. Its just about having all the settings pre set for non professional photographers

Data Missing 19142614611 at: 2014-11-27 00:03:05 AND bc its a heritage turkey it like cooks "specially" or some shit

Received from 19142603729 at: 2014-12-02 00:04:16 thats a purely rational strategy but they have an in-house sales team that has much better formulas than us. She is on our side in that the overall budget makes sense BUT Gary is really only worth 4MM

Sent to 19142603729 at: 2014-12-02 00:08:48 Our hope is that Damon (other producer) can find another financier and then we can leverage the 20MM into the new script I found which is a much less budget

Received from 19142603729 at: 2014-12-02 00:09:22 basically, we gotta do with x company to do CHURCHILL but how about we do 12.5 MM for this movie with x,y,z attached

Received from 19142603729 at: 2014-12-03 19:56:48 The other producer met with Studio Canal and they are still on board and full steam ahead. Cameron anticipates that Sierra Affinity (guy thats being an asshole) is a short a few million and is protecting his ego. So, they've already assembled a group of people wanting to cover the gap. But they literally don't know what the problem is. Which is the worst thing you can do to a producer.

Received from 18059079815 at: 2014-12-03 20:05:11 I don't need computing power. I

am not gaming or creating feature films. I am just checking email

Sent to 18059079815 at: 2014-12-03 20:05:28 I need battery life and general longevity and reliability.
Received from 18059079815 at: 2014-12-03 20:05:20 and you think Apple is three times better than pc for that?
Received from 18059079815 at: 2014-12-03 20:05:48 And lightness for ease of transport
Received from 18059079815 at: 2014-12-03 20:06:12 Yes I find it 4.85x better to be exact

Sent to 18059079815 at: 2014-12-03 20:05:20 I hear you, I am not saying you are making a poor decision I am just talking generally about paying for a namebrand
Received from 18059079815 at: 2014-12-03 20:07:35 Well you are ranting sir
Sent to 18059079815 at: 2014-12-03 20:07:44 huh
Received from 19142603729 at: 2014-12-03 20:07:46 we'll see. I just want Kumiko to be over so badly. There is an issue that comes up every single day. And I feel awful for Cameron because the Spirit Awards nominated one of the producers of Kumiko (didn't do jack shit) in the "Producers to Watch" category. It's all politics and we can't say anything about it or the fraud they did
Sent to 18059079815 at: 2014-12-03 20:07:57 I don't really care what other people purchase.
Sent to 18059079815 at: 2014-12-03 20:08:06 I make decisions for my own best interests.
Received from 18059079815 at: 2014-12-03 20:08:15 And for me. Apple is king.
Sent to 18059079815 at: 2014-12-03 20:08:34 you're arguing with yourself. The point that I was making was about whether you were paying for a namebrand any refuted that even though you're mistaken
Received from 18059079815 at: 2014-12-03 20:08:58 I like the connectivity btwn all my devices too
Received from 18059079815 at: 2014-12-03 20:08:59 I never said you shouldn't buy apples or that you were wasting money.
Sent to 19142603729 at: 2014-12-03 20:09:09 Its just tough to watch someone strap a movie on their back professionally, emotionally, and financially and then have the Spirit Awards completely fuck it up and honor the wrong guy.
Sent to 18059079815 at: 2014-12-03 20:09:25 iMessage is basically the best

Received from 18059079815 at: 2014-12-03 20:10:15 i'm not saying there aren't perks, I'm just saying they aren't worth the price increase. The only way to explain the difference in price between Macs and PCs's is namebrand. You cannot argue this.
Received from 18059079815 at: 2014-12-03 20:10:30 I disagree.
Sent to 18059079815 at: 2014-12-03 20:10:43 I get that for you it doesn't matter, that is not the argument in making

Received from 18059079815 at: 2014-12-03 20:11:09 Of course because you have 1800 to spend
Sent to 18059079815 at: 2014-12-03 20:11:27 Noooo you're making your decision based on your financial situation not based on the function.
Received from 18059079815 at: 2014-12-03 20:11:44 Incorrect. There are $1800 pcs
Sent to 18059079815 at: 2014-12-03 20:11:44 you would happily take A modicum of extra functionality for a lot of money if it stayed within your budget.
Sent to 18059079815 at: 2014-12-03 20:12:11 the 1800 pcs are amazing, but if you're just checking email then it doesn't matter

Sent to 19142603729 at: 2014-12-03 20:18:08 Ha. I like your style. The CEO of our distribution company had some very kind words. He said that Cameron has straight up suffered a traumatic experience but the fact that he has persevered with such class and pedigree on future projects that he has no doubt that Cameron will have a long career and these guys will probably be a ‘small notation in time’.
Sent to 19142603729 at: 2014-12-03 20:20:09 He said just let it go and play the long game. And I separately told cameron I am going to network the shit out of the spirit awards and try and make friends with lower level peeps and make sure he gets a “you owe me one” for the future.
Sent to 19142603729 at: 2014-12-03 20:21:17 What does that mean

Received from 19142603729 at: 2014-12-03 21:00:48 I'm half serious. I was more just saying if "friends" is what gets you nominated, then friends I shall make.

Received from 19146716630 at: 2014-12-04 15:50:47 As far as sweater, I think he is open to all darkish colors - he wears that style sweater like every day. So I think so long as it's just not a duplicate, I think he will like and wear it. I think comfort and style is more key than color.

Received from 19178211113 at: 2014-12-05 17:06:08 Well first what happened was we left the knick game and went down into the subway, and we kept going deeper and deeper down towards the train, and suddenly they closed all downtown trains due to the protests. So i got panicky and claustrophobic
Received from 19178211113 at: 2014-12-05 17:06:08 Then one we got out of the subway to try and get a cab we also couldnt bc of the protests
Received from 19178211113 at: 2014-12-05 17:06:08 So we ended up speed walking in the freezing cold for like 20 blocks

Received from 19178211113 at: 2014-12-05 17:08:16 It created the perfect storm and my wheezing got so thick i couldnt get any air in and my throat felt like it was closing and we were still so far from home. We called an uber but the traffic was bumper to bumper from the protests
Received from 19178211113 at: 2014-12-05 17:08:16 So we finally hailed down a cop and he called an ambulance bc i was unable to breathe
Received from 19178211113 at: 2014-12-05 17:08:16 It was very scary

Sent to 19142603729 at: 2014-12-09 18:02:54 Yes we are. Not only do we not have to focus on this right now, but when we DO have to find a place. We have the luxury of time. It’s hard to explain via text but its not like one day we’ll be like, “we have to find a place in two months”. We can decide it’s ready to pull the trigger, we’ll start looking more aggressively, then when we find a place, you can either put in notice to transfer, quit, whatever you want.

If you like Omni and it would still make you happy then why don’t you book and I will figure out the flights on the train as well as dinner reservations.
Sent to 19142603729 at: 2014-12-16 20:56:15 Bc the omni that I liked yesterday was the omni New Orleans. And that's booked today.

Sent to 19142603729 at: 2014-12-16 20:57:14 Everything is in the wrong neighborhood. And the Marriott is so corporate. And the omni riverfront room looks like the tv isn't even near the bed. Which is like point less.
Sent to 19142603729 at: 2014-12-16 20:57:50 It's just all a waste. I feel like we are throwing bad money after this and it's just all fucked.

I'm not saying don't be furious at me, I'm just saying that your insults and fury have not fallen on deaf ears. Please just stop berating me.
Received from 19142603729 at: 2014-12-16 23:29:25 Our options are either pay for the flights or leave first thing on the 31st and stay an extra day. The flights are way cheaper on NYE and if we leave early, it's only an hour flight.

Received from 13014675585 at: 2014-12-17 04:48:58 I need that time for pictures
Sent to 13014675585 at: 2014-12-17 04:49:12 you don't need 2.5 hours to take pictures after ceremony (I know you want to go to cocktail)
Sent to 13014675585 at: 2014-12-17 04:49:16 The happy hour and longer cocktail hour is because I need time for photos
Received from 13014675585 at: 2014-12-17 04:49:38 I dunno. 2 hours FLEW by for our engagement shoot.
Received from 13014675585 at: 2014-12-17 04:49:53 l think it may be helpful to have a chat with Justine
Sent to 13014675585 at: 2014-12-17 04:50:00 it will have to be after Christmas
Sent to 13014675585 at: 2014-12-17 04:50:06 Okay.

Sent to 13014675585 at: 2014-12-17 04:50:32 I just have talked to all my bride friends and they all allotted 2 or more hours for their photos
Sent to 13014675585 at: 2014-12-17 04:50:08 we can do photos before (not with chris) but get several "out of the way"
Received from 13014675585 at: 2014-12-17 04:51:18 I don't think we can! Where could we even do those
Received from 13014675585 at: 2014-12-17 04:51:29 The prime spots will be within view of guests.
Sent to 13014675585 at: 2014-12-17 04:52:16 not if we time right. we do it all the time, just think that 8-10 hours is pushing it for guests 😊
Received from 13014675585 at: 2014-12-17 04:52:16 but nothing is set in stone we will figure it out
Sent to 13014675585 at: 2014-12-17 04:53:27 I mean I hear you but my choices are to have them just longer in btwn ceremony and reception or have a long wedding.
Received from 13014675585 at: 2014-12-17 04:53:38 Bc I don't know how else to have time for photos.
Sent to 13014675585 at: 2014-12-17 04:53:53 *just linger in btwn
Sent to 13014675585 at: 2014-12-17 04:54:20 I thought the happy hour was a nice activity for people to do. It's not really meant to prolong the wedding. It's just meant to occupy.
Received from 13014675585 at: 2014-12-17 04:54:24 let's come up with a detailed photo schedule with Justine and map everything out
Received from 13014675585 at: 2014-12-17 04:54:39 Okay.
Sent to 13014675585 at: 2014-12-17 04:56:01 I feel like just offering a non alcoholic beverage like a special lemonade at the happy hour and like beer and wine only could help
Sent to 13014675585 at: 2014-12-17 04:56:43 And maybe like something interesting to do. Like a game or something
Sent to 13014675585 at: 2014-12-17 04:56:56 I don't know.
Sent to 13014675585 at: 2014-12-17 04:56:32 I am not worried about the alcohol as much as like being dressed and on your feet for that long. We will figure it out.
Received from 13014675585 at: 2014-12-17 04:57:37 We can certainly hand out cute flats and sandals at the reception
Sent to 13014675585 at: 2014-12-17 04:58:50 Ugh I just don't know what to do.
Sent to 13014675585 at: 2014-12-17 04:59:05 I totally get why people do first look. But it is 1000% not an option.
Sent to 13014675585 at: 2014-12-17 04:58:40 don't fret. There is no solution needed tonight
Sent to 13014675585 at: 2014-12-17 04:58:40 i know 😊
Received from 13014675585 at: 2014-12-17 04:58:40 i think we need to nail down how much time we need
Sent to 13014675585 at: 2014-12-17 04:58:40 If we can get any photos before that would help tremendously

Sent to 13014675585 at: 2014-12-17 04:59:54 It's still going to be a long day even if we can shave like an hour off

Data Missing 17573291146 at: 2014-12-17 15:15:12 So it is fixed. Another plastic piece was broken. It just seems like they should have used so more durable parts because they keep breaking. It should be good for a while since we made our own part out of metal. If there are anymore problems let me know and we will have to come up with something.

Sent to 19178211113 at: 2015-01-03 15:15:34 You've got to respect their process. Even if you don't think they are doing enough or what you would do etc
Sent to 19178211113 at: 2015-01-03 15:15:49 It is not fair to tell them what is best.
Sent to 19178211113 at: 2015-01-03 15:16:14 And the more you are around them, the more involved you feel.

Received from 19178211113 at: 2015-01-03 15:22:26 Exactly. It will be easier to do that in a month
Received from 19178211113 at: 2015-01-03 15:23:20 Your life and happiness must be based on other stuff. Mom and dad are an occasional thing that has the ability to bring happiness, but we can't rely on that
Sent to 19178211113 at: 2015-01-03 15:23:50 You can rely on me and Chris. And your husband. And your baby. And I'm sure a lot of your friends.

Sent to 18034141483 at: 2015-01-05 14:14:59 It's best to vary it a little
Sent to 18034141483 at: 2015-01-05 14:15:05 Since life varies

Received from 18034141483 at: 2015-01-05 14:15:28 So like at some point this week at night put him the crate and drive around the block and come back 10 mins later
Sent to 18034141483 at: 2015-01-05 14:15:51 It helps them realize you are coming back.
Received from 18034141483 at: 2015-01-05 14:16:13 Your work won't let you take him in w you?
Sent to 18034141483 at: 2015-01-05 14:16:41 Not all the time. I don't know how to do that tho. Bring his crate to the office?
Sent to 18034141483 at: 2015-01-05 14:17:08 I don't know your set up
Sent to 18034141483 at: 2015-01-05 14:17:21 I might start paying a girl from work to visit with him throughout the week
Sent to 18034141483 at: 2015-01-05 14:17:25 But I'd prolly bring a bed and tie his leash to something.
Sent to 18034141483 at: 2015-01-05 14:18:03 Whatever you do now he is gonna get used to for life
Sent to 18034141483 at: 2015-01-05 14:18:09 So just keep that in mind
Received from 18034141483 at: 2015-01-05 14:19:45 Also puppies are the best in the mornings and late at night. That's why I am always late to work.
Sent to 18034141483 at: 2015-01-05 14:26:07 Yea. I think might go home soon and if I hear him, change it up to give him more room
Received from 18034141483 at: 2015-01-05 14:26:08 Like put him in the middle of the house where I can close all the doors, and put his crate in their with the door open. So he has a bit more room
Sent to 18034141483 at: 2015-01-05 14:26:08 And a big comfy blanket
Sent to 18034141483 at: 2015-01-05 14:26:57 Yea that's what we did with chloe
Sent to 18034141483 at: 2015-01-05 14:27:09 But she had like serious crate issues.
Sent to 18034141483 at: 2015-01-05 14:27:31 So I think he will prolly be fine w the crate.
Received from 18034141483 at: 2015-01-05 14:26:08 I want him to like his crate, so forcing him in it all day right away might make him hate it
Received from 18034141483 at: 2015-01-05 14:27:50 It's actually the opposite.
Received from 18034141483 at: 2015-01-05 14:27:59 He will be get used to it
Sent to 18034141483 at: 2015-01-05 14:28:40 It is more of whether or not YOU are a crate person.

Sent to 18034141483 at: 2015-01-05 15:09:12 Infants aren't mobile and don't get left alone and they don't chew stuff. Plus diapers are easier than cleaning floor messes

Sent to 18034141483 at: 2015-01-05 15:09:53 Ignore him. Don't give him any real sign of attention. Until he isn't crying. Then immediately let him out and reward him with LOTS of attention and love
Sent to 18034141483 at: 2015-01-05 15:10:56 Ok I'll try that tonight
Sent to 18034141483 at: 2015-01-05 15:11:43 You just have to remember the only way to communicate w him is thru actions.

Received from 17573291146 at: 2015-01-06 19:42:42 So the door is all fixed. It's closes a little harder (it's not too bad) than it did because of the adjustments we had to make to get it to latch and lock properly. If it becomes an issue let me know and we will need to get a new door. There is no more adjustability with it. I think it will be fine though.

Sent to 17038433264 at: 2015-01-10 15:23:49 I can look into a few. Nothing that allows you to sit down. No benches.
Received from 17038433264 at: 2015-01-10 15:24:08 Wait that's what a total gym is I thought?
Received from 17038433264 at: 2015-01-10 15:24:39
Sent to 17038433264 at: 2015-01-10 15:27:59 Oh no. I'm not a fan of that style. There's styles that requires you to stand.
Received from 17038433264 at: 2015-01-10 15:34:58 Oh no those are way too big
Sent to 17038433264 at: 2015-01-10 15:37:08 You're better off getting hand base equipment. I can teach you tons of core specific movements that requires the use of your arms.
Received from 17038433264 at: 2015-01-10 15:37:26 Yea I mean my back is my concern
Sent to 17038433264 at: 2015-01-10 15:37:49 Exactly you have to stand and move.
Sent to 17038433264 at: 2015-01-10 15:38:12 Or you'll continue to lose mobility.

Received from 17038433264 at: 2015-01-10 15:38:36 I mean but the standing makes me nervous to do alone
Sent to 17038433264 at: 2015-01-10 15:38:50 That like doing those movements I won't know if I move wrong and I could hurt myself
Received from 17038433264 at: 2015-01-10 15:40:06 Makes sense. Would you consider getting an eliptical?
Sent to 17038433264 at: 2015-01-10 15:40:14 Too big
Received from 17038433264 at: 2015-01-10 15:41:24 Okay go with the total body. Between that and myself you will be fine. I'll make it work.
Received from 17038433264 at: 2015-01-10 15:41:42 I thought you said you don't like it?
Sent to 17038433264 at: 2015-01-10 15:43:50 I don't but it's not because it's not effective. It's not the best for core movements. If you're not planning to do anything standing and twisting on the days you use it then it's fine.@
Sent to 17038433264 at: 2015-01-10 15:44:15 You can do all core training with me.
Received from 17038433264 at: 2015-01-10 15:44:32 Okay.
Sent to 17038433264 at: 2015-01-10 15:44:50 And you can give me a routine to do on it?

Sent to 17038433264 at: 2015-01-10 15:45:20 I figured it be good for toning my arms, back and maybe stomach
Received from 17038433264 at: 2015-01-10 15:46:30 It can help. Not so much to get you tone but to help get you stronger to be tone.
Received from 17038433264 at: 2015-01-10 15:50:40 But then how is it effective?
Sent to 17038433264 at: 2015-01-10 15:55:26 It will get you stronger in those areas. Arms and back. I'll figure out some way to use it for your abs. It's important to get stronger.
Sent to 17038433264 at: 2015-01-10 15:56:29 The up tempo movements and your nutrition is what really tones you to see the muscles that you have gained.

However, knowing that there is a baby in there is very weird. It was also very unexpected to me like how much I love him already. And how different it already makes me feel

Received from 12015439521 at: 2015-01-19 16:49:22 I think it just wasn't compatible. But I think you are doing things internally that will make you more emotionally prepared for a relationship.
Received from 12015439521 at: 2015-01-19 16:49:28 You can't be so hard on yourself!

Received from 12015439521 at: 2015-01-19 16:59:13 But it felt very compatible. I think that's what concerns me the most, that I couldn't see it.
Sent to 12015439521 at: 2015-01-19 17:02:23 See but it shouldn't.
Sent to 12015439521 at: 2015-01-19 17:02:39 Bc if its incompatible it doesn't matter who realizes it first.
Sent to 12015439521 at: 2015-01-19 17:02:55 It's just important someone does. And pulls the trigger so to speak.
Sent to 12015439521 at: 2015-01-19 17:03:23 She almost certainly did not expose you to all elements of her personality
Received from 12015439521 at: 2015-01-19 17:04:04 And she also could just be in a place where she isn't ready. And therefore that is why you two aren't compatible.

Sent to 17034991766 at: 2015-01-20 23:25:19 Nothing from Wilmer yet, the staff recruiter is in vacation but said id hear something by thurs/fri
Sent to 17034991766 at: 2015-01-20 23:25:52 Haha what do you mean gay family? Like Molly and Jesse? It was hard bc my moms moving obviously so I got a little upset about not being able to see her as easily
Sent to 19178211113 at: 2015-01-20 23:26:47 I think I'm gonna try and do: roast beef with jus, Yorkshire pudding (maybe... Otherwise dinner rolls), mashed potatoes, creamed spinach, sautéed mushrooms. Arugula salad.
Received from 17034991766 at: 2015-01-20 23:27:32 No no I'm not calling your real family gay
Sent to 17034991766 at: 2015-01-20 23:27:47 I'm asking about your gay family going thru a break up/ divorce.
Received from 17034991766 at: 2015-01-20 23:28:05 David and Aaron. Your gay family.
Received from 17034991766 at: 2015-01-20 23:30:08 Oh yea!! Haha. They are ok, Aaron went to a wedding this weekend that David stayed home for. I think Aaron's going to work on finding somewhere to temporarily live
Received from 17034991766 at: 2015-01-20 23:30:08 David said in the future, like way future he could see them getting back together, but I think that's crazy
Sent to 17034991766 at: 2015-01-20 23:31:07 So they are over?? Why??
Sent to 17034991766 at: 2015-01-20 23:32:04 Yea, David just really was only seeing the negative parts, just over it/him
Sent to 17034991766 at: 2015-01-20 23:32:19 What were the negative parts...
Sent to 17034991766 at: 2015-01-20 23:34:24 He can be pretty moody/grumpy, sex hasn't been bad for awhile
Received from 17034991766 at: 2015-01-20 23:35:06 So basically he is over monogamy. Sounds like.
Received from 17034991766 at: 2015-01-20 23:36:01 Honestly if I were a gay man, I don't think I would ever marry. There is like no reason to monogamous.
Sent to 17034991766 at: 2015-01-20 23:36:20 Yes for the time being. He said he couldn't see himself raising kids with him
Received from 17034991766 at: 2015-01-20 23:36:34 Does he want to raise kids?
Sent to 17034991766 at: 2015-01-20 23:36:32 And David apparently wants kids. And has a 3 year plan to move somewhere new and I don't think Aaron had the same ideas
Received from 17034991766 at: 2015-01-20 23:37:15 I see. Yea those a very differing life plans.
Sent to 17034991766 at: 2015-01-20 23:38:30 Yea, so I think he's hoping Aaron changes? I doubt it. But for now they are breaking up and he's moving out

Sent to 17034991766 at: 2015-01-20 23:38:40 Really sad. She hasn't hung out with him in a little while, she just said the other day she's kind of over it. I don't ask a ton of questions

Received from 85263373608 at: 2015-01-21 03:55:46 Secondly, without talking about your vision it's hard to really parse out a realistic budget.

Sent to 85263373608 at: 2015-01-21 03:56:37 I think what matters is this:

Received from 18059079815 at: 2015-01-21 04:02:36 I think it's one thing to tell a girl the truth and then not feel bad when they catch feelings
Received from 18059079815 at: 2015-01-21 04:02:55 It's an entirely different thing to hear them say I love you and continue to treat them like a whore

Received from 19178211113 at: 2015-01-29 16:46:56 I think i am too easily influenced by other people and i need to make a habit of sticking to my gut on who i really want to cast moving forward

Sent to 19178211113 at: 2015-01-29 16:49:04 The truth of the matter is, this is a small movie regardless so the best i can hope for is making it really good. And so i want really good actors who are perfect for the roles
Received from 19178211113 at: 2015-01-29 16:49:04 As opposed to "names" who i dont really think can act that well
Received from 19178211113 at: 2015-01-29 16:49:04 Then i have more attention on the movie with potentially bad a acting
Sent to 19178211113 at: 2015-01-29 16:49:04 This film is completely reliant on strong performances. There is no room for "ok"

Received from 19142603729 at: 2015-01-29 16:55:52 He hasn’t done an indie movie in five years and all his future projects are huge. GUYS AND DOLLS, he’s playing Edward Snowden, the movie version of the documentary MAN ON A WIRE, a comedy with Seth Rogen, and LITTLE SHOP OF HORRORS to name a few.

Received from 19142603729 at: 2015-01-30 17:45:14 I think I prefer the middle one but they all look great.
Sent to 13014675585 at: 2015-01-30 17:45:30 The goal of this mtg is to get vision totally completed and aligned. And given my dad's attendance we may be able to get very very close to a final proposal (ie cost)

Sent to 17038995561 at: 2015-01-30 18:05:55 Fonts. Give me all thoughts please.
Received from 17038995561 at: 2015-01-30 18:09:52 Middle or top, then bottom. I prefer simpler, the bottom has WAY too much flourish
Sent to 17038995561 at: 2015-01-30 18:10:15 The top is pretty
Sent to 17038995561 at: 2015-01-30 18:10:56 I think I like the middle but with a different A and a different C
Sent to 17038995561 at: 2015-01-30 18:11:51 The A is too boring in the middle one. And the C looks like an e
Sent to 17038995561 at: 2015-01-30 18:12:05 Yes agree. Which a and c
Sent to 17038995561 at: 2015-01-30 18:12:17 But I think I like the smoothness of it. I don't think I like the "kinks" in the other two
Received from 19142603729 at: 2015-01-30 18:12:52 I put it on our schedule but do you men confirm with all those people?
Received from 17038995561 at: 2015-01-30 18:12:51 Same
Sent to 19142603729 at: 2015-01-30 18:12:57 mean*
Sent to 17038995561 at: 2015-01-30 18:13:02 So I would want the c to not have the bottom part cross over it so the top is the same but the bottom is like font 1 / 3
Received from 17038995561 at: 2015-01-30 18:13:16 Bottom a is actually pretty, I think the top looks too cramped
Sent to 17038995561 at: 2015-01-30 18:13:58 And with the A I don't want it to be one fluid motion. I like how in the other two fonts it is two strokes connecting
Received from 17038995561 at: 2015-01-30 18:14:14 Yes I think bottom A without the link

Received from 17038995561 at: 2015-01-30 18:14:17 KINK
Received from 17038995561 at: 2015-01-30 18:14:56 Or do you think keep it as is?
Sent to 17038995561 at: 2015-01-30 18:16:02 Yes! No kink, it's too much
Received from 17038995561 at: 2015-01-30 18:16:07 Without kink gorgeous

Sent to 19142603729 at: 2015-01-30 18:48:19 So I thought of the C standing alone without your name behind and thought the bottom crossover would be kinda weird

Sent to 17038995561 at: 2015-01-31 14:52:12 So
Received from 17038995561 at: 2015-01-31 14:56:57 I just feel like that last looks masculine. Reminds me of a mustache
Received from 13014675585 at: 2015-01-31 14:57:39 Is there anyway to see one more "A"
Received from 13014675585 at: 2015-01-31 14:58:02 Sure, what do you want to see
Sent to 13014675585 at: 2015-01-31 14:58:10 One like bickham swash but without the kink in it
Sent to 13014675585 at: 2015-01-31 14:59:10 My problem is I don't love the modified allergo one. I can't really explain why other than it just doesn't "work"
Sent to 13014675585 at: 2015-01-31 15:01:23 So I was thibkng maybr bickham but like combined with spencer sort of
Sent to 13014675585 at: 2015-01-31 15:01:47 If that makes sense
Sent to 17038995561 at: 2015-01-31 15:01:59 I am asking for a new A
Received from 13014675585 at: 2015-01-31 15:02:03 Haha, kinda?

Sent to 13014675585 at: 2015-01-31 15:02:29
Sent to 13014675585 at: 2015-01-31 15:02:24 I think the Spencer A needs to be narrowed
Sent to 13014675585 at: 2015-01-31 15:02:56 If we lost that middle link doodad
Sent to 13014675585 at: 2015-01-31 15:03:23 Sorry meant the allegro. Ok I get what you mean with the bickham a
Sent to 13014675585 at: 2015-01-31 15:03:35 And had the curves/loops turned into more like the Spencerian
Received from 13014675585 at: 2015-01-31 15:03:44 That could work
Sent to 13014675585 at: 2015-01-31 15:04:27 Oh so with the modified allergo A. The new one and last in the line. It just seems so different than the rest of the script
Received from 13014675585 at: 2015-01-31 15:06:37 I guess my concerns are two: making sure the whole style is cohesive
Sent to 13014675585 at: 2015-01-31 15:07:35 And also making sure the A and C are strong on their own since I know we want to do something with them as like a monogram for different stuff for the wedding. However I guess that could be a different design
Received from 13014675585 at: 2015-01-31 15:08:08 Don't worry about monogram
Sent to 13014675585 at: 2015-01-31 15:08:41 That will come with invitation. Hard to make these letters look good together because gets so loopy
Sent to 13014675585 at: 2015-01-31 15:08:55 Right
Sent to 13014675585 at: 2015-01-31 15:09:22 That's why my hope is new bickham modification solves it
Sent to 13014675585 at: 2015-01-31 15:08:48 Also calligraphy is not as strong for monogram bc a pen stroke is thin. Better for monogram to come from the graphic side
Sent to 13014675585 at: 2015-01-31 15:09:34 Okay
Received from 13014675585 at: 2015-01-31 15:10:12 Ok. I understand to remove the corkscrew from Bickham but want to make sure I am getting the 2 modification correct
Received from 13014675585 at: 2015-01-31 15:10:58 The loops in bickham are more like 🌀
Sent to 13014675585 at: 2015-01-31 15:10:56 You want them More airy
Sent to 13014675585 at: 2015-01-31 15:11:18 Whereas w Spencerian they loop over themselves
Received from 13014675585 at: 2015-01-31 15:10:56 Love that emojis are helping us right now, btw

Received from 13014675585 at: 2015-01-31 15:12:21 On a side note are we good with a C and M
Sent to 13014675585 at: 2015-01-31 15:12:38 So basically I would take the bickham A and change the left swirl to match the Spencerian looping
Received from 13014675585 at: 2015-01-31 15:12:42 Yes
Sent to 13014675585 at: 2015-01-31 15:12:55 C was perfect and the second M is great
Received from 13014675585 at: 2015-01-31 15:15:43 I thought the first A was okay but a little plain
Sent to 17038995561 at: 2015-01-31 15:17:29 Good idea, and wow yeah deff mustache. A Mexican one
Received from 13014675585 at: 2015-01-31 15:21:36 Ok, my only concern is how to make the left swirl match Spencerian.
Sent to 13014675585 at: 2015-01-31 15:21:36 Do you just want to cut the left swirl so it doesn't curl as much or are you trying to have something go over the body of the A
Sent to 13014675585 at: 2015-01-31 15:22:55
Sent to 13014675585 at: 2015-01-31 15:22:59 This first A is close
Sent to 13014675585 at: 2015-01-31 15:23:28 Basically combining this with the

bickham
Received from 13014675585 at: 2015-01-31 15:23:55 I like the top swoop of the bickham. It makes it softer and more feminine that a pointy top
Received from 13014675585 at: 2015-01-31 15:23:44 Ok so you need something to jazz it up in the top
Received from 13014675585 at: 2015-01-31 15:24:35 *than a
Sent to 13014675585 at: 2015-01-31 15:23:44 Makes sense, I thought you wanted something over the body more and was worried all elements would compete
Sent to 13014675585 at: 2015-01-31 15:25:31 No no
Sent to 13014675585 at: 2015-01-31 15:26:14 I got it now 👌
Sent to 13014675585 at: 2015-01-31 15:26:38 Just don't like the pointedness and plainness of the top of that recent A. Think it would benefit from a touch of bickham influence.
Received from 13014675585 at: 2015-01-31 15:26:47 As the allegro one was just TOO much
Sent to 13014675585 at: 2015-01-31 15:26:56 Gotcha!

Sent to 13014675585 at: 2015-01-31 15:28:55 Ok, I will have her redo the A. Once we approve that. She will write everything in the Spencerian with the approved A C M S
Sent to 13014675585 at: 2015-01-31 15:29:10 Perfect
Received from 13014675585 at: 2015-01-31 15:29:22 The S is actually already Spencerian

Sent to 17034991766 at: 2015-01-31 16:34:08 Yea I know so you don't want to have to track more
Sent to 17034991766 at: 2015-01-31 16:34:40 So unless the app is hard wired to my mouth

Sent to 17034991766 at: 2015-01-31 16:38:06 One day of binge eating is equivalent of one day of intense dieting

Sent to 17034991766 at: 2015-01-31 16:38:24 No I know
Sent to 17034991766 at: 2015-01-31 16:38:24 Just gotta burn it off
Received from 17034991766 at: 2015-01-31 16:38:42 The reason I like the intense diet I am on
Received from 17034991766 at: 2015-01-31 16:38:48 Is bc its a chemical diet
Sent to 17034991766 at: 2015-01-31 16:39:06 And if I cheat at all. It sabotages every single meal I have eaten well at
Sent to 17034991766 at: 2015-01-31 16:39:15 So there is serious motivation to not fuck up
Received from 17034991766 at: 2015-01-31 16:39:45 Yea that's crazy

Received from 17034991766 at: 2015-01-31 16:39:49 Plus I know by sticking to it I am burning an absurdly large amount of fat
Sent to 17034991766 at: 2015-01-31 16:40:00 Which isn't possible from calorie counting
Sent to 17034991766 at: 2015-01-31 16:40:19 It's chemical. I'm forcing my body to go into its fat reserves and pull from it
Sent to 17034991766 at: 2015-01-31 16:40:32 Nuts, well it should work then! Have you been getting any cardio in with your workouts?
Sent to 17034991766 at: 2015-01-31 16:41:30 I gave myself this week to adjust to the diet
Received from 17034991766 at: 2015-01-31 16:41:45 Since it's no carbs I didn't want to push myself on working out too quickly and get faint
Sent to 17034991766 at: 2015-01-31 16:41:56 But this week I am folding in my workouts
Sent to 17034991766 at: 2015-01-31 16:42:01 Yea def. Just eat lots of protein
Sent to 17034991766 at: 2015-01-31 16:42:10 That's what it is

Sent to 17034991766 at: 2015-01-31 16:42:51 Still a serious adjustment from what I'm used to
Received from 17034991766 at: 2015-01-31 16:42:54 Yes it does
Sent to 17034991766 at: 2015-01-31 16:42:40 It's hard to get a lot of protein
Sent to 17034991766 at: 2015-01-31 16:43:10 This diet gives you like 20g at 4x a day
Sent to 17034991766 at: 2015-01-31 16:43:17 With low cal. No carb. No sugar.
Received from 17034991766 at: 2015-01-31 16:43:38 So your body uses the protein to run on a daily basis but it has to pull for carbs from your fat reserves
Sent to 17034991766 at: 2015-01-31 16:43:47 That should help you lose lots of lbs
Sent to 17034991766 at: 2015-01-31 16:43:53 That's the plan!
